NAME: _____

It has been and shall continue to be the policy of Moravian University that all officers and other persons with substantial influence over Moravian University affairs (each a "covered person") avoid any conflict, or appearance of conflict, between their personal interests and the interest of the University in dealing with any organization or individual having, or seeking to have, any business relationship with the University. I have received and read Moravian University's current Conflict of Interest Policy Statement for Officers and Other Persons with Substantial Influence ("Policy"). I agree to comply with the Policy, to disclose and announce any conflict, abstain from involvement in any decision where the conflict would be applicable, understand that the University is a charitable organization and that in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax exempt purposes, and I am filing this form in accordance with the Policy.
