

# ENDOWED SCHOLARSHIP FUNDS

## ENDOWED SCHOLARSHIP FUNDS

Endowing a named scholarship at Moravian University is an important, lasting way to aid students. Your scholarship establishes an important legacy of support for future students. It's also a very meaningful way to honor family and friends.

The gift of an endowed scholarship provides Moravian with a permanent asset from which students can receive support. The principal of the fund is invested to produce income, and an annual award is made to a student or group of students. The principal stays untouched, so the endowment can last into perpetuity. Endowments create the foundation upon which Universities build lasting financial strength and ensure academic quality.

## WHY SHOULD I CONSIDER ESTABLISHING AN ENDOWED SCHOLARSHIP FUND AT MORAVIAN?

- Ensure a bright future for Moravian University students and continue the storied tradition of giving.
- The gift of an endowment eases the financial burden placed on students and families to afford a Moravian education.
- Establish a scholarship fund that bears your name or the name of someone you wish to honor in perpetuity.

## HOW CAN I ESTABLISH AN ENDOWED SCHOLARSHIP FUND?

Speak to a member of Development & Alumni Engagement at Moravian University regarding your gift intentions. Our staff can assist you in identifying the most attractive and effective designations for your gift.

As a scholarship donor, you choose the name of the scholarship as well as the criteria. Experienced Moravian staff is available to help you develop the criteria for your scholarship. Endowed scholarships are awarded to deserving students based upon the area of interest, leadership potential, merit, academic achievement, and/or other criteria.

Contributors of a scholarship fund are notified annually when the scholarship recipient(s) have been selected and informed of the name and hometown of the recipient. Recipients often write a thank-you note to the donor. Donors will be invited to the Scholarship Luncheon where they have the opportunity to meet the awarded students during the spring semester. We strive annually to provide an opportunity for donors to meet the students who will directly benefit from their commitment.
