

# Study in Asia

## Introduction to the Program

Engage in a dynamic cultural experience in the cornerstones of Asia's cultural, economic and historical hubs. Students can choose from a variety of disciplines taught by a diverse group of faculty from the world's leading universities and be presented with a co-curricular opportunities to further your professional and academic goals.

Moravian College is a proud partner of the Lion Global Education Consortium and is pleased to offer students the opportunity to take coursework accredited through Moravian College in a variety of programs across Asia. Consortium programs are open to all eligible undergraduate students currently matriculated at a college or university. Visiting students from other universities should speak with their intent to participate with their home intuition study abroad office and academic advisor prior to the application process on the transferability of course credit.

Students have the option of applying for any of the following Consortium sites:

### **Beijing, China – Beijing Language and Culture University**

Located at the heart of Beijing's education hub, BLCU has always been a leading liberal arts university. As China's political and cultural center, the hub of international exchange, Beijing has both classic charm and stylish atmosphere. Small alleys, old teahouses, trendy streets and bustling commercial districts blend infinite modern elements and authentic tradition.

### **Chengdu, China – Sichuan University**

SCU is one of China's top leading research universities. Home to a population of 14 million, Chengdu has become an international hub for tourism and business. While studying here, student will be able to visit and network with some of the top employers in the world. Many high-tech enterprises are in Chengdu thanks to its vibrant and rapidly expanding business environment including the Jingrong Startup Hub and the Chengdu Hi-Tech Zone. Chengdu is also home to the national treasure: the panda.

### **Guangzhou, China – South China University of Technology**

South China University of Technology is a major public research university in China. Guangzhou, also known as Canton, is the capital of Guangdong province. Guangzhou has a history of over 2,200 years and was a major terminus of the maritime Silk Road, and it continues to serve as a major port and transportation hub and commerce center.

### **Ulsan, South Korea – University of Ulsan**

The University of Ulsan is a leading Korean University that offers programs in broad areas through 12 colleges and 6 graduate schools. The Ulsan program gives students to opportunity to study in Ulsan, an industrial powerhouse for South Korea and a major hub for Korean corporations.

### **Shanghai, China – Tongji University & East China Normal University**

Tongji University is one of the oldest universities in China and has valued the balanced development of four functions, i.e. education, research, outreach, and culture inheritance and innovation. As a metropolis, Shanghai hosts a unique

multicultural experience with its blending of East and West, modern and traditional. Students will be able to explore famous waterfront sites such as the Bund, watch the city light up at night from Oriental Pearl Tower or visit one of the many people's streets for shopping and entertainment.

### **Xi'an, China - Xi'an Jiaotong University & Northwest University**

Xi'an, the ancient capital of six dynasties has an incredible history and culture, a modern world of buildings and cars, and an international world of glamour. Here is the start of the Silk Road and the new journey of "One Belt and One Road". By studying in the Xi'an program, students will have a tremendous variety of academic, cultural and professional development opportunities to help you make the most of your summer.
