## INFORMATION RELATED TO APPLYING FOR AN INTERN CERTIFICATION

Students who are interested in the Intern certification program with Moravian University, should first contact the Education Department's Program Coordinator, Ms. Charisse Marino, to discuss the required criteria and the process in which to apply.

Interested students will be required to have the following criteria to start the process:

- Be a post-bacc or MAT Moravian enrolled student
- Have completed Stage 1, 2 and 3 field experiences
- Have passed the required Praxis or PECT tests for student's desired content area
- Have secured employment in a position related to the student's content area with an institution affiliated with Moravian University

If you are interested in starting the process for this Intern opportunity with Moravian University, please contact Ms. Marino at [marinco02@moravian.edu](mailto:marinco02@moravian.edu) to set up an appointment for further discussion.
