List of Programs

On this page, review the list of teacher preparation programs offered by your institution of higher education (IHE) or organization. If you submitted an IPRC last year, this list of programs is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to enter the programs in the appropriate reports. For the traditional report, list all traditional programs within the IHE. For the alternative report, list all alternative programs within the IHE. You may edit, delete, and insert new rows as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page. The system will automatically total the number of programs for you.

THIS PAGE INCLUDES:

>> Program Information

Program Information

List each teacher preparation program included in your traditional route. Indicate if your program or programs participate in a Teacher Quality Partnership Grant awarded by the U.S. Department of Education as described at https://www2.ed.gov/programs/tqpartnership/awards.html.

Teacher Preparation Programs	Teacher Quality Partnership Grant Member?	Update
Art Education (PK-12)	No	
French Foreign Language (PK-12)	No	
German Foreign Language (PK-12)	No	
Grades 4-8	No	
Grades PK-4	No	
Music Education (PK-12)	No	
Secondary Biology (7-12)	No	
Secondary Chemistry (7-12)	No	
Secondary Citizenship Education (7-12)	No	
Secondary English (7-12)	No	
Secondary General Science (7-12)	No	
Secondary Mathematics (7-12)	No	
Secondary Physics (7-12)	No	
Secondary Social Studies (7-12)	No	
Spanish Foreign Language (PK-12)	No	

Total number of teacher preparation programs: 15

SECTION I: PROGRAM INFORMATION

Program Requirements

On this page, review and enter information about the program requirements for admission into the program, program completion, and supervised clinical experience. If you submitted an IPRC last year, much of this page is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to specify the requirements in the appropriate reports. For the traditional report, provide the requirements for traditional programs within the IHE. For the alternative report, provide the requirements for the alternative programs within the IHE.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

- >> Admissions

- >> Postgraduate Requirements
- >> Supervised Clinical Experience

Admissions

1. Indicate when students are formally admitted into your initial teacher certification program:

Junior year

▼

If Other, please specify:

- 2. Does your initial teacher certification program conditionally admit students?
 - Yes
 - No
- 3. Provide a link to your website where additional information about admissions requirements can be found:

http://www.moravian.edu/education/admission/undergraduate

4. Please provide any additional information about or exceptions to the admissions information provided above:

For initial admission to the program, students must have: 1. 48 credit hours (12 course units). 2. A minimum 2.7 GPA. 3. 6 credit hours (1.5 units) of college-level mathematics. (These credits may be part of the initial 48 credits, and one unit can be met by the Learning in Common F2 requirement.) 4. 3 credit hours in English composition and 3 credit hours in English literature. (These credits may be part of the 48 initial credits and can be met by the Writing 100 course or the First Year Seminar and the LinC M2 requirement.) 5. Passing scores on the CORE or PAPA basic skills tests in Reading, Writing, and Mathematics or exemption from testing based on SAT or ACT scores. 6. A successful stage 1 & 2 early field experience evaluation. 7. U.S. citizenship or a declared intent to file for U.S. citizenship. (This requirement is mandated by the Pennsylvania Department of Education and applies to teachers of all subjects except world languages.)

Undergraduate Requirements

Please provide the following information about your teacher preparation program's entry and exit requirements. (§205(a)(1)(C)(i))

- 1. Are there initial teacher certification programs at the undergraduate level?
 - Yes

5. What was the median GPA of individuals completing the program in academic year 2017-18?

6. Please provide any additional information about the information provided above:

Students may be exempt from taking PAPA pre-professional skills tests if they have qualifying scores on the SAT or ACT exam as outlined by the Pennsylvania Department of Education.

Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2017-18. (§205(a)(1)(C)(iii), §205(a)(1)(C)(iv))

Additional guidance on reporting supervised clinical experience and nonclinical coursework.

Average number of clock hours of supervised clinical experience required prior to student teaching	150
Average number of clock hours required for student teaching	560
Average number of clock hours required for mentoring/induction support	0
Number of full-time equivalent faculty supervising clinical experience during this academic year	9
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	3
Number of students in supervised clinical experience during this academic year	48

Please provide any additional information about or descriptions of the supervised clinical experiences:

Enrollment

On this page, enter the number of candidates for an initial teaching credential who are enrolled in the initial teacher preparation programs within your institution of higher education (IHE) or organization. **Do not** report on the total number of students enrolled in the entire IHE. **Do not** include individuals who currently hold a teaching credential and are seeking additional licenses or endorsements, or individuals preparing for school-based careers other than classroom teachers (e.g., administrators, guidance counselors).

The Department recognizes that in many cases, candidates voluntarily report their race/ethnicity and gender data, and that in some cases, candidates may choose not to report this information. Please report on the race/ethnicity data you have available, though the data may not be complete. It is not expected that the sum of the enrolled students reported by race/ethnicity or by gender will necessarily equal the total number of students enrolled.

If your IHE offers both traditional and alternative programs, be sure to enter the candidates enrolled in the appropriate reports. For the traditional report, provide only the candidates enrolled in traditional programs within the IHE. For the alternative report, provide only the candidates enrolled in the alternative programs within the IHE.

After entering the enrollment data, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:	
>> <u>Enrollment</u>	

Enrollment

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

Additional guidance on reporting race and ethnicity data.

Total number of students enrolled in 2017-18	63
Unduplicated number of males enrolled in 2017-18	11
Unduplicated number of females enrolled in 2017-18	52

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled. (§205(a)(1)(C)(ii)(H))

2017-18	Number Enrolled
Ethnicity	
Hispanic/Latino of any race	5
Race	

2017-18	Number Enrolled
American Indian or Alaska Native	0
Asian	1
Black or African American	2
Native Hawaiian or Other Pacific Islander	0
White	49
Two or more races	0

Teachers Prepared

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

- >> Teachers Prepared by Subject Area
- >> Teachers Prepared by Academic Major

Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2017-18. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. (§205(b)(1)(H))

Additional guidance on reporting teachers prepared by subject area.

Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2017-18. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. (§205(b)(1)(H))

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education—Chemistry" category.

Additional guidance on reporting teachers prepared by academic major.

SECTION I: PROGRAM INFORMATION

Program Completers

On this page, enter the total number of individuals who completed the program in AY 2017-18 and the two prior academic years. If you submitted an IPRC last year, the number of program completers for the two prior academic years are pre-loaded from your prior year's report.

A program completer is a person who has met all the requirements of a state-approved teacher preparation program. Program completers include all those who are documented as having met such requirements. Documentation may take the form of a degree, institutional certificate, program credential, transcript or other written proof of having met the program's requirements. In applying this definition, the fact that an individual has or has not been recommended to the state for initial certification or licensure may not be used as a criterion for determining who is a program completer.

An individual cannot be classified as both enrolled and as a program completer at the same time. An enrolled individual is not a program completer. Once an individual has met all the requirements of a state-approved teacher preparation program and becomes a program completer, the individual is no longer classified as enrolled.

After entering the program completers, save the page using the floating save box at the bottom of the page.

THIS	S PAGE INCLUDES:		
>>	Program Completers		

Program Completers

Provide the total number of teacher preparation program completers in each of the following academic years.

2017-18	23
2016-17	21
2015-16	28

Annual Goals

On this page, review the annual goals in each subject area listed below. If you submitted an IPRC last year, the goals you entered last year are pre-loaded from your prior year's report. Please respond to the questions to report on progress towards the goals, and set new goals for the next academic year.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

- >> Annual Goals Mathematics
- >> Annual Goals Science
- >> Annual Goals Special Education
- >> Annual Goals Instruction of Limited English
 Proficient Students
- >> Assurances

Annual Goals - Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1)(A)(iii), §206(a))

Information about teacher shortage areas can be found at https://www2.ed.gov/about/offices/list/ope/pol/tsa.html.

Please provide the information below about your program's goals to increase the number of prospective teachers in mathematics in each of three academic years.

Academic year 2017-18

- 1. Did your program prepare teachers in mathematics in 2017-18?
 - Yes
 - No (leave remaining questions for year blank)
- 2. How many prospective teachers did your program plan to add in mathematics in 2017-18?

3

- 3. Did your program meet the goal for prospective teachers set in mathematics in 2017-18?
 - Yes
 - No
 - Not applicable
- 4. Description of strategies used to achieve goal, if applicable:

Yes, we certified two math educators at the end of the 2017-18 academic year. The third was certified in December, 2018.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Recruit during freshman year.

- 6. Provide any additional comments, exceptions and explanations below:
 - Three mathematics certification candidates student taught in the Spring of 2018.

Academic year 2018-19

- 7. Is your program preparing teachers in mathematics in 2018-19?
 - Yes

No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in mathematics in 2018-19?

3

9. Provide any additional comments, exceptions and explanations below:

Academic year 2019-20

- 10. Will your program prepare teachers in mathematics in 2019-20?
 - Yes

No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in mathematics in 2019-20?

3

12. Provide any additional comments, exceptions and explanations below:

Recruit during freshman year.

Annual Goals - Science

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1)(A)(iii), §206(a))

Information about teacher shortage areas can be found at https://www2.ed.gov/about/offices/list/ope/pol/tsa.html.

Please provide the information below about your program's goals to increase the number of prospective teachers in science in each of three academic years.

Academic year 2017-18

- 1. Did your program prepare teachers in science in 2017-18?
 - No (leave remaining questions for year blank)
- 2. How many prospective teachers did your program plan to add in science in 2017-18?

Yes	
No Not applicable	
4. Description of strategies used to achieve goal, if applicable:	
Monitoring of student performance and weekly supervision of student teachers by a content area specific professor and e	ducation professor.
5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:	
Recruit and advise students at the freshman level - We have now designed an intentional advising program during the sun college. At the advising and registration sessions, there will be a designated full time professor from education who will be guiding students, asking all questions and supporting students' interests in the field of science.	
6. Provide any additional comments, exceptions and explanations below:	
Three students student taught in the Spring of 2018.	
Academic year 2018-19	
7. Is your program preparing teachers in science in 2018-19?	
Yes	
No (leave remaining questions for year blank)	
8. How many prospective teachers did your program plan to add in science in 2018-19?	
6	
9. Provide any additional comments, exceptions and explanations below:	
Academic year 2019-20	
10. Will your program prepare teachers in science in 2019-20?	
Yes	
No (leave remaining questions for year blank)	
11. How many prospective teachers does your program plan to add in science in 2019-20?	
7	
12. Provide any additional comments, exceptions and explanations below:	

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1)(A)(ii), §206(a))

Information about teacher shortage areas can be found at https://www2.ed.gov/about/offices/list/ope/pol/tsa.html.

Please provide the information below about your program's goals to increase the number of prospective teachers in special education in each of three academic years.

Academic year 2017-18		

•	Yes				
	No (leave remaining	questions	for	vear	blank

1. Did your program prepare teachers in special education in 2017-18?

2. How many prospective teachers did	l your program plan to	o add in special educat	tion in 2017-181
--------------------------------------	------------------------	-------------------------	------------------

3. Did your program meet the goal for prospective teachers set in special education in 2017-18?

Yes

11

- No
- Not applicable

4. Description of strategies used to achieve goal, if applicable:

Intensive support, advising, and supervision.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Currently, a self-designed major special education major. Our goal is to approve a full major in special education with dual certification (Pre k - 4 and Spec Ed Pre K - 8).

6. Provide any additional comments, exceptions and explanations below:

Academic year 2018-19

- 7. Is your program preparing teachers in special education in 2018-19?
 - Yes
 - No (leave remaining questions for year blank)
- 8. How many prospective teachers did your program plan to add in special education in 2018-19?

20

9. Provide any additional comments, exceptions and explanations below:

There are 10 students seeking special education at their junior year in 2018-2019, and 10 sophomore level students. Several more students are interested in the special education major, but have not yet passed the PAPA/CORE tests in order to complete their self-designed major in special education. Once they do pass the tests this summer, those students will also prepare to be special education teachers. This will include an additional 5 students.

Academic year 2019-20
10. Will your program prepare teachers in special education in 2019-20?
Yes No (leave remaining questions for year blank)
11. How many prospective teachers does your program plan to add in special education in 2019-20?
6
12. Provide any additional comments, exceptions and explanations below:
Once the students pass the Basic Skills tests this summer, they will be added in as Special Ed majors.
Annual Goals - Instruction of Limited English Proficient Students
Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1)(A)(ii), §206(a))
Information about teacher shortage areas can be found at https://www2.ed.gov/about/offices/list/ope/pol/tsa.html .
Please provide the information below about your program's goals to increase the number of prospective teachers in instruction of limited English proficient students in each of three academic years.
Academic year 2017-18
1. Did your program prepare teachers in instruction of limited English proficient students in 2017-18?
Yes No (leave remaining questions for year blank)
2. How many prospective teachers did your program plan to add in instruction of limited English proficient students in 2017-18?
2
3. Did your program meet the goal for prospective teachers set in instruction of limited English proficient students in 2017-18?Yes
No.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Not applicable

4. Description of strategies used to achieve goal, if applicable:

6. Provide any additional comments, exceptions and explanations below:
Academic year 2018-19
7. Is your program preparing teachers in instruction of limited English proficient students in 2018-19?
Yes No (leave remaining questions for year blank)
8. How many prospective teachers did your program plan to add in instruction of limited English proficient students in 2018-19?
2
9. Provide any additional comments, exceptions and explanations below:
Two students are seeking ESOL certification along with their initial certification.
Academic year 2019-20
10. Will your program prepare teachers in instruction of limited English proficient students in 2019-20?
Yes No (leave remaining questions for year blank)
11. How many prospective teachers does your program plan to add in instruction of limited English proficient students in 2019-20?
1
12. Provide any additional comments, exceptions and explanations below:
Assurances
Please certify that your institution is in compliance with the following assurances. (§205(a)(1)(A)(iii), §206(b)) Note: Be prepared to provide documentation and evidence for your responses, when requested, to support the following assurances.
1. Preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.
• Yes • No
2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.
• Yes • No
3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.
• Yes • No
Program does not prepare special education teachers

	•	Yes No
6.	Pro	ospective general education teachers are prepared to provide instruction to students from low-income families.
	•	Yes No
7.	•	ospective teachers are prepared to effectively teach in urban and rural schools, as applicable. Yes No

5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.

4. Prospective general education teachers are prepared to provide instruction to students with disabilities.

YesNo

8. Describe your institution's most successful strategies in meeting the assurances listed above:

The Education Department is in constant communication with area schools through active supervision of student teachers and pre-student teachers, through the teaching of practicing teachers in our graduate education program, and through regular meetings with local school officials. This communication and more keeps the Department up-to-date on the needs of area schools and their communities. To ascertain the needs of new teachers, we communicate with our graduates, both informally and through more formal surveys. Instructional I certification candidates enroll in a minimum of nine credit hours on meeting the needs of students with disabilities and three credit hours in meeting the needs of English language learners. Students must demonstrate competence in this area through field experiences and through student teaching. From foundations through all methods courses, students explore the special needs of rural and urban students and children of poverty. Students complete at least one of two student teaching assignments in an urban school.

1. Is your teacher preparation program currently approved or accredited?
--

Yes

No

If yes, please specify the organization(s) that approved or accredited your program:

✓ State

NCATE

TEAC

CAEP

Other specify:

2. Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

Yes

No

SECTION V: USE OF TECHNOLOGY

Use of Technology

On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

TH	IS PAGE INCLUDES:
>>	Use of Technology

Use of Technology

1.	Provide the following information about the use of technology in your teacher preparation program. Please note that choosing	'yes' indicates that
	your teacher preparation program would be able to provide evidence upon request. (§205(a)(1)(F))	

Does your program prepare teachers to:

- a. integrate technology effectively into curricula and instruction
 - Ye
 - No
- b. use technology effectively to collect data to improve teaching and learning
 - Ye
 - No
- c. use technology effectively to manage data to improve teaching and learning
 - Yes
 - No
- d. use technology effectively to analyze data to improve teaching and learning
 - Ye
 - No
- 2. Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

Students in the Education Department take a course entitled "Computer Technology in the Classroom." In that course, students learn fundamental aspects of educational technology including web 2.0 technologies, Classroom Response Systems, and more. In subsequent courses and during field experiences, students learn how to integrate such technology into the curriculum. Students explore particular uses of technology for a given subject area. They explore these uses in both the college classroom and in the field. Moravian College has become a ubiquitous Mac laptop and iPad campus beginning with since 2014-2015 academic year. Pre-service teachers in the program study how to use technology to gather, manage, and analyze data to improve instruction. They design individual lessons in workshop environment using Google docs and develop formative and summative assessment devices to measure how adequately their students attain instructional goals. They analyzed the effectiveness of their teaching through analysis of digital video clips, and they construct digital narratives that articulate their understanding of research-based best practices. The Moravian program is built on a reflective practice model, and students use the data they have gathered to determine how well instructional goals have been met and the extent to which teaching strategies need to be maintained, adapted, or abandoned. The program is also built on a model of universal design, which pre-service educators explore conceptually and practically throughout the Education Department's sequence of courses and field experiences. As they create plans, they must consider all learners in the classroom and work to create activities and materials that meet the needs of a variety of students, including students with learning disabilities and English language learners. In addition, all student teachers have attended a Technology conference for teachers at

SECTION VI: TEACHER TRAINING

Teacher Training

On this page, review the questions about how your program trains general education teachers and special education teachers. For the purposes of these questions, general education teachers means those who are not specifically prepared as special education teachers. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. (§205(a)(1)(G))

- 1. Does your program prepare general education teachers to:
 - a. teach students with disabilities effectively
 - Yes
 - No
 - b. participate as a member of individualized education program teams
 - Yes
 - No
 - c. teach students who are limited English proficient effectively
 - Ye
 - No
- 2. Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

All candidates in our undergraduate teacher preparation program are required to take our education course EDUC 244, Including Students with Disabilities. The content of this course has been specifically designed to address the PDE competencies related to diverse learners. Examples of the topics as they relate to the roles and responsibilities of general education teachers presented in this course include but are not limited to, special education law s (IDEA, Section 504, ADA, The Gaskin Settlement), collaboration, parent involvement, assessment techniques, data collection, participation in the pre-referral and referral processes, RTI, universal design, strategy design and implementation, and self - advocacy skills. Activities include, but are not limited to class discussions, journal writing, research papers, interviews, simulations of pre-referral team meetings, Multidisciplinary Team meetings, and IEP meetings, field experiences, strategy presentations, and guest speakers. In addition, the roles and responsibilities of the general education teacher are incorporated in all education courses as appropriate to the specific course.

- 3. Does your program prepare special education teachers to:
 - a. teach students with disabilities effectively
 - Yes

b. participate as a member of individualized education program teams	
Yes No Program does not prepare special education teachers	
c. teach students who are limited English proficient effectively	
Yes	
No	
Program does not prepare special education teachers	

Program does not prepare special education teachers

4. Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

Every student who is a special ed major has a 40 hour field experience in their junior year under the direction of a certified experienced special education teacher. The field experience is directly linked to a special ed course as well (EDUC 424.3). The students are supervised weekly in the field. In addition, the students have a 7 week student teaching experience under the direction of a certified experienced special ed teacher, and are supervised weekly by a full time professor whose expertise is in the field of Special Education. Students work directly with children/students who have IEPs and/or are English proficient.

SECTION VII: CONTEXTUAL INFORMATION

Contextual Information

On this page, review the contextual information about your program. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES: >>> Contextual Information

Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card (see below). The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

All certification programs are designed to be in compliance with state competencies in Special Education and ELL. We continue to evaluate the program changes we prepare for our next full PDE review in 2019-2020. In April 2019 the College approved a new dual certification program for Early Childhood and Special Education which can be completed in four years.

Supporting Files

No files have been provided.

You may upload files to be included with your report card. You should only upload PDF or Microsoft Word or Excel files. These files will be listed as links in your report card. Upload files in the order that you'd like them to appear.

Report Card Certification

Please make sure your entire report card is complete and accurate before completing this section. Once your report card is certified you will not be able to edit your data.

Enrollment Confirmation

Total Title II enrollment from Section I: Program Information, Enrollment is 63.

Number of program completers from Section I: Program Information, Program Completers is 23.

For a total enrollment of 86.

Certification of submission
I certify that, to the best of my knowledge, the information in this report is accurate and complete and conforms to the definitions and instructions used in the Higher Education Opportunity Act, Title II: Reporting Reference and User Manual.
